Mikko Piironen is a European Patent Attorney at Papula-Nevinpat. He is also a partner in the company.

Mikko first started his intellectual property career in 2001 when he was hired as a patent specialist at Papula-Nevinpat. His patent experience includes identifying and handling inventions, drafting and prosecuting patent applications.

During 2012 – 2021, he worked in Munich where he gained additional experience in oppositions, oral proceedings and appeals before the European Patent Office. Mikko also assists our clients in licensing negotiations and patent-related court matters.
