Mika Heino is a registered patent attorney at Papula-Nevinpat. He is also a partner in the company.

Mika joined Papula-Nevinpat in 1997 as a Patent Attorney. He practices primarily in patent prosecution, ranging from drafting domestic and foreign patent applications to handling opposition cases. Mika advises clients on general intellectual property matters including patent strategies and patentability searches.

Mika is particularly familiar with the United States patent law and practices, on which he has also written articles in domestic publications.
