

KUOSMANEN TIMO

European Patent Attorney

+358 50 524 2414

firstname.lastname@papula-nevinpat.com

Timo Kuosmanen is a European Patent Attorney at Papula-Nevinpat. He is also a partner in the company.

Timo joined Papula-Nevinpat in 2017. He works at our office in Tampere, offering IP services for customers in the Pirkanmaa, Satakunta, Central Finland, Savo, and Ostrobothnia regions.

Timo has wide experience of more than 20 years in working as a patent attorney. His work consists of evaluating inventions, drafting and prosecuting patent applications, conducting searches, and advising our customers on their IP strategy.

Over the years, Timo has led projects in various fields of technology. He has experience in hydraulic systems and devices, mobile work machines, machine control, positioning systems and navigation, autonomous mobile machines, user interfaces, automation applications, measuring technology, machine shop and manufacturing engineering, construction industry solutions, mining equipment, papermaking machines, wet filtration, technical textiles, composite structures, and aircraft systems.

Technical fields

Automation
Construction engineering
Energy technology
Material science
Mechanical engineering
Mechanics
Process engineering
Wood processing

Core expertise

Energy production, Environmental technology, Fire prevention, Hydraulics, Industrial automation, Machine automation, Manufacturing, Material handling systems, Mobile work equipment, Packaging, Paper machines, Polymers, Power units, Renewable energy, Shipbuilding, Ventilation, Waste treatment

Languages

Finnish, English, Swedish (and German)

Education

Master of Science (Technology), Tampere
University of Technology

Memberships

SPAY (The Association of Finnish Patent Attorneys), epi, FICPI, AIPPI, Finnish Association for Corporate Patent Agents
